Racine, WI - Elder Law Attorney Tim Crawford's staff handed out over 300 FREE Health Care Power of Attorneys at a variety of locations. Once a person turns 18 years old, they are considered an adult and parents lose their right to make a decision for their child unless the child has a Health Care Power of Attorney. Having a Health Care Power of Attorney in place will take a weight off the shoulders of family members.

Signing a Health Care Power of Attorney can be more important to your personal well being than signing a Will. This Power of Attorney allows you to pick someone you trust to voice your medical decisions if you cannot communicate them yourself. It gives you peace of mind to know that someone you choose will have the authority to act for you when you can't act for yourself. If you don't have a Power of Attorney and you are suddenly incapacitated, your family may have to go through an expensive and time-consuming court proceeding to appoint a guardian to make decisions for you.

If you were unable to pick-up a Health Care Power of Attorney Kit at one of the locations, stop in at our office and pick-up one. If you are not in the Racine area, please visit our website and print the document, which can be found at: [http://www.tpclaw.com/images/HCPOA\\_STATE\\_FORM\\_WEBSITE.pdf](http://www.tpclaw.com/images/HCPOA_STATE_FORM_WEBSITE.pdf)
