### **PROTECTION OF YOUR HOME**

If you have a home, you'll want to protect your home today. You will not want to wait to protect your home. If you're in a nursing home it may be too late to protect your home. Strategies used to protect your home are totally different from those strategies used to protect your financial assets.

Attorney Tim Crawford's clients pay him \$4,000 in legal fees to protect their home. In addition to protecting your home, he will assist you to avoid the Probate process. All of this is included in your home protection documents.

### **WHAT IF I AM INCOMPETENT?**

If you are single and incompetent it is too late for you to protect your home and financial assets. However, if you are married it may not be too late. Also, if you have planned ahead by preparing a document that allows somebody else to do planning for you when you are incompetent, then that person can do planning for you.

## **WHAT IF I AM ALREADY IN A NURSING HOME?**

It is not too late to protect some of your financial assets if you are in a nursing home. If you are in a nursing home and you are married and your spouse is outside of a nursing home, then it still may be possible to protect your financial assets and to protect your home.
